RESOLUTION TO MAKE PRAIRIE AVENUE ARTERIAL STREET, CONT'D.

BE IF FURTHER RESOLVED, that the clerk is hereby directed to transmit two certified copies of this resolution to the Department of Public Works and Buildings, through its District Office at Chicago, Illinois.

I, Otto W. J. Henrich, City Clerk in and for the City of Des Plaines hereby certify the foregoing to be a true, perfect and complete copy of a resolution adopted by the Council at a meeting on June 7, 1948.

IN TESTIMONY WHEREOF, I have hereunto set my hand and seal this 9th day of June, A. D. 1948.

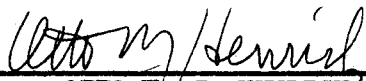

Otto W. J. Henrich
(SEAL) City Clerk

The motion was made by Alderman Vavrinek, and seconded by Wolf, to adopt the proposed resolution. The motion was voted upon by acclamation, whereupon the Mayor declared the motion carried.

APPROVAL OF MINUTES. The motion was made by Alderman Johnson, and seconded by Hansen, to approve the minutes of May 17, 1948. The motion was voted upon by acclamation, whereupon the Mayor declared the motion carried.

Alderman Johnson informed the Council that the businessmen would like to have the City take over the two parking lots on Center Street. The Mayor referred the item to the Public Protection Committee.

ADJOURNMENT. The motion was made by Alderman Kehe, and seconded by Baines, to adjourn. The motion was voted upon by acclamation, whereupon the Mayor declared the motion carried, and the meeting regularly adjourned.

OTTO W. J. HENRICH
CITY CLERK

MINUTES OF THE REGULAR MEETING OF THE
CITY COUNCIL OF THE CITY OF DES PLAINES,
ILLINOIS, HELD IN THE COUNCIL CHAMBERS,
MONDAY, JUNE 21, 1948, AT 8:00 P. M.

CALL TO ORDER. The meeting was called to order by Mayor G. Walter Pflughaupt, who presided with Aldermen Johnson, Hansen, Vavrinek, Wolf, Kehe, McKay, Harm, Halverson, and Morava responding to roll call.

REPORTS OF CITY OFFICIALS. Mayor Pflughaupt inquired of Engineer, E. N. Fletcher, if he had a report on the Storm Sewer. Mr. Fletcher said that he was working on data in regard to this subject. He also stated that he would complete and give a report on the Storm Sewer by August 15th.

COMMITTEE REPORTS. Public Protection. Alderman Johnson reported that the matter of individual parking space for doctors had been considered many times before, and that the committee recommended that no change be made. The motion was made by Alderman Johnson, and seconded by Hansen, to concur in the report. The motion was voted upon by acclamation, although Alderman Wolf of the committee voted "no."

MUNICIPAL DEVELOPMENT COMMITTEE. Alderman McKay reported the following on the annexation of Westfield Gardens:

Your Committee on Municipal Development has investigated and given consideration to the responsibilities which will accrue to the City upon annexation of this subdivision, also the advantages. We were particularly concerned on the matter of water supply, and upon our request Messrs. W. L. Plew and Company have submitted a letter agreeing to purchase at least one-third of the special assessment bonds to be issued to defray cost of water main construction in the subdivision proposed to be annexed. Letter attached hereto. In view of this co-operation and all the circumstances, favorable and otherwise, we are inclined to view the petition to annex as reasonable and recommend that the Council take favorable action on the ordinance, with the understanding that our City Attorney approves the wording thereof as it is presented for Council action.

MUNICIPAL DEVELOPMENT COMMITTEE'S REPORT, CONT'D.

June 21, 1948

Mr. Walter G. Pflughaupt, Mayor
and Members of the City Council
Municipal Building
Des Plaines, Illinois

Gentlemen:

We understand that the majority of the property owners owning property in Westfield Gardens Subdivision have petitioned your Honorable body to annex said territory to the City of Des Plaines, and we understand that the Municipal Development Committee is about to recommend to the Council that the annexation ordinance be adopted.

We also understand that owners of the property in said Subdivision are anxious to obtain water service and are desirous that special assessment proceedings be instituted after said territory is annexed in order to install the necessary water mains, and that the special assessment bonds to be issued are to be paid serially.

This letter is to inform you that we guaranty to purchase at least one-third of the special assessment bonds that must be issued to defray the cost of constructing the water mains in said Subdivision.

This offer shall be binding upon us for a period of six months after annexation has been legally completed. If bonds are not offered to us within this period of time, this offer is then to become void.

Respectfully submitted,

W. L. PLEW & COMPANY, Not.Inc.

WLP/bp

By W. L. Plew, Partner

The motion was then made by Alderman McKay, and seconded by Johnson, to concur in the report. On the question put by the Mayor, Alderman Vavrinek said he thought the streets should have curbing and be black-topped. City Attorney, Frank M. Opeka, informed the Council that the plat had been previously approved by the Council, and that the City could not insist on the paving of streets. The Mayor (not being able to determine by voice vote) instructed the Clerk to call the roll. Thus, the following result: Ayes: Aldermen Johnson, Hansen, Harm, McKay, Halverson, and Morava. Nays: Aldermen Vavrinek, Wolf, and Kehe. The Mayor thereupon declared the motion carried.

FIRST READING OF ANNEKATION ORDINANCE * WESTFIELD GARDENS. The Clerk read for first reading the following proposed ordinance entitled:

AN ORDINANCE PROVIDING FOR
ANNEXATION OF SUBDIVISION
KNOWN AS WESTFIELD GARDENS.

The Mayor ordered the proposed ordinance filed for second reading.

WATER COMMITTEE. Alderman Halverson reported the following on the bids for the water main:

Your committee on water has investigated the above and has found:

that Joseph B. DiVito is the lowest bidder on said water main, and due to the length of time required to purchase cast iron pipe, which is from nine to ten months

We, your committee on water, therefore recommend:

that the contract be awarded to Joseph B. DiVito, and that Transite pipe be used instead of cast iron.

H. J. Halverson
H. J. Kehe
L. J. Vavrinek
R. G. Wolf

The motion was made by Alderman Halverson, and seconded by Kehe, to concur in the report. The motion was voted upon by acclamation, whereupon the Mayor declared the motion carried. The motion was then made by Alderman Halverson, and seconded by Kehe, to return the bond and check of the unsuccessful bidders. The motion was voted upon by acclamation, whereupon the Mayor declared the motion carried.

PASS 1948 TAX LEVY ORDINANCE. The Clerk read for second reading the following ordinance entitled:

AN ORDINANCE
PROVIDING FOR THE LEVYING OF AN ASSESSMENT OF TAXES
FOR THE FISCAL YEAR OF THE CITY OF DES PLAINES, COOK
COUNTY, ILLINOIS, COMMENCING JANUARY 1, 1948, AND
ENDING DECEMBER 31, 1948.

The motion was then made by Alderman Kehe, and seconded by Halverson, to pass the proposed ordinance. The Mayor put the question, and the Clerk called the roll with the following result: Ayes: Aldermen Johnson, Hansen, Vavrinek, Wolf, Kehe, Harm, McKay, Halverson, and Morava. Nays: None. Absent: Aldermen Baines. The Mayor thereupon declared the motion carried, and the proposed ordinance passed.

RECOMMENDATION OF ZONING BOARD ON DES PLAINES CENTER AND OTHER LOTS. The Clerk read the following recommendation:

June 21, 1948

The Honorable Mayor and City Council
City of Des Plaines
Des Plaines, Illinois

Sirs:

Pursuant to law, your Zoning Board of Appeals, sitting as a Commission, held a public meeting March 22, 1948, in regard to the following described property:

The following lots in Des Plaines Center, a subdivision in Section 17, Township 41 North, Range 12, East of the Third Principal Meridian. The following lots are involved:

Also the following described property:
Heart of Des Plaines in Southeast $\frac{1}{4}$ of Section 17, Township 41, Range 12, East of Third Principal Meridian, the following property:

Lots 1 to 6 inclusive in block No. 1, except lot No. 5 which was previously rezoned to area B.

Lot No. 7, except that part now used as Alles Street.

Lot No. 8, block No. 1, except that part now used as Alles Street.

Lot 9 in block No. 1.

Also all lots in block No. 1, on the north side of Perry Street east of Lot No. 9 to Lee Street, except that part of Lot No. 9 on the northwest corner previously zoned as commercial.

Lots 44 to 68 inclusive in block No.	8
" 1 to 6	" in " " 7
" 1 to 18	" in " " 6
" 1 to 4	" in " " 5
" 1 to 24	" in " " 4
" 32 to 52	" in " " 3
" 7 to 13	" in " " 2
" 1 to 4	" in " " 11
" 1 to 6	" in " " 10

Matteson's Addition to Des Plaines, being a subdivision of ten acres in the east $\frac{1}{2}$ of Section 17, Township 41, Range 12, of the Third Principal Meridian, the following described property:

Lots 30 to 58 inclusive in block No.	1
" 1 to 29	" in " " 2
" 30 to 47	" in " " 2

Also the vacated alley in block No. 2 and vacated alley in block No. 1.

Further, part of lot 30, 4-foot wide strip as shown on map south of lot 29, block No. 2, and continuing thru to Graceland Avenue. Also 4 foot strip, part of lot 30, approximately 54 feet long, extending from Alles Street east.

94
ZONING BOARD RECOMMENDATION, CONT'D.

County Clerk's Division, of all unsubdivided land in north part of Section 17, Township 41, North, Range 12, East of the Third Principal Meridian, part of lot 2, Southeast corner of Graceland Avenue and Harding Avenue.

Also Lot No. 9, County Clerk's Division, east side of Graceland Avenue.

The request for rezoning was from Class A residential to Multiple family area District B.

Your Zoning Board wishes to apologize for not getting this recommendation in sooner, but at the time this meeting was held, there were just a few members present and it has taken considerable time to review the situation and get the proper parties together.

After careful consideration of the evidence submitted at this meeting, and considering the neighborhood which is primarily multiple family dwellings at the present time, and feeling that the change in classification will not affect the neighborhood from its present environment, we recommend to you that an ordinance be passed changing the classification of the above described property from family area district A to multiple family area district B.

Respectfully,

Zoning Board of Appeals
City of Des Plaines

G.

Alvah H. James
Secretary

The motion was made by Alderman Johnson, and seconded by Halverson, to concur in the report. The motion was voted upon by acclamation, whereupon the Mayor declared the motion carried.

FIRST READING OF ORDINANCE AMENDING ZONING ORDINANCE. The Clerk read for first reading the following proposed ordinance entitled:

AN ORDINANCE AMENDING THE ZONING
ORDINANCE OF THE CITY OF DES
PLAINES, ILLINOIS.

The Mayor ordered the proposed ordinance filed for second reading.

CITY ATTORNEY OPEKA'S LETTER OF MIDDLE STATES TELEPHONE COMPANY INCREASE OF RATES. The Clerk read the following letter:

June 21, 1948

Mayor and City Council
City of Des Plaines, Illinois

Gentlemen:

I wish to advise that under date of June 8, 1948, the Illinois Commerce Commission issued and entered an order permitting the Middle States Telephone Company to file its tariff with rates increased as per application on file, with the exception of the four party lines and PBX extension, which were reduced.

Under said order the toll charges between Des Plaines and Park Ridge are eliminated as are also charges for cradle phone rentals and discounts heretofore allowed. The order is to become effective immediately upon the filing of the tariff and I presume the new rates are now in effect.

The order further provides that the Telephone Company is authorized by the Commission to enter immediately upon the Four Million Dollar expansion program which includes the conversion to the dial system. As previously reported to you, unless the management of the Telephone Company exhibits within 30 days signed contracts for the construction of their new building and a signed order for the manufacture of automatic dial equipment, showing date of completion and delivery of equipment, than the City has a right to file a petition for a re-hearing, which will then re-open the entire matter.

The increases per month on residence phones varies from seventy-five cents to one dollar. The increase on office or business phones is increased from \$1.75 to \$2.00, depending on the type of service. In the four party lines, the increase asked for was \$1.00 but the commission allowed only ninety cents.

The Commission reserved the right under said order to follow thru on the construction angle so that the conversion to dial phones may be completed in the year 1950, which is an advancement from 1951 as originally requested. The order contains numerous findings of fact, among which appears the statement that the Attorneys for the City of Des Plaines and Park Ridge participated in the hearing and co-operated with the Commission in this regard.

Very truly yours,

Frank M. Opeka, City Attorney

INCREASE OF TELEPHONE RATES, CONT'D.

The Mayor ordered the letter placed on file.

CHICAGO AND NORTH WESTERN RAILWAY ASKED TO RECONSIDER VOTE ON REZONING ORDINANCE. The Clerk read the following letter:

June 18, 1948

To the Honorable Mayor and
City Council of the City of Des Plaines
Des Plaines, Illinois

Gentlemen:

My attention has been called to the letter which Mr. Otto W. J. Henrich, City Clerk of the City of Des Plaines, addressed to Mr. Howard S. Larimer, Land Commissioner of Chicago and North Western Railway Company, under date of June 10th, concerning the action taken by the City Council on June 7th with reference to the Railway Company's petition for rezoning of its property in the vicinity of Thacker Street and Wolf Road in Des Plaines.

Attached is a blue print (Scale 1" equals 100') of the property included in the company's application for rezoning. On this blue print you will find indicated in black ink the length in feet of each side of the company's property. The frontage of this property, which is obtained by adding together all sides, is 4,392 feet. Twenty per cent of this frontage is 878 feet.

The protest executed by certain property owners on June 4, 1948, which was presented to the City Council, in order to have required a two-thirds vote of the Council to pass the ordinance to rezone should have been executed by not less than twenty per cent of all abutting property owners. According to our computation the protestants' ownership fell short of the necessary twenty per cent. That being true, the protest was ineffective for the purpose of requiring a two-thirds vote.

We respectfully request you to reconsider the action taken at the meeting on June 7th and to take a new vote on the application of the Railway Company for the desired rezoning of the property.

Very truly yours,

Lowell Hastings
General Solicitor

LETTER OF CLARKE OUTDOOR SPRAYING COMPANY. The Clerk read the following letter:

June 18, 1948

Mrs. Walton
886 Second Avenue
Des Plaines, Illinois

Dear Mrs. Walton:

Answering your request for information concerning mosquito and fly control, I submit a bid of \$580 for fogging the City of Des Plaines, (approximately 3½ sq. miles) with a 10% DDT oil solution.

This work will be done at night under proper weather conditions to insure the best results -- a dense fog which will move into foliage throughout the city. The fog machine will be operated along every north and south or east and west street, depending upon wind direction, traveling at the rate of 5 miles per hour.

We shall expect full co-operation from the Police Department in the matter of traffic control, immediately after the fog is liberated, as sometimes persons follow the fog machine as one would follow a fire engine, resulting in traffic congestion. The fog clears within several minutes, insofar as visual discernment is concerned, but countless particles of ten to twenty microns in diameter continue to float and come in contact with insects for several hours thereafter, although they are not visible to the eye.

Our experience has been that an application such as described kills approximately 80% of the flies and mosquitoes present at the time of spraying; and inasmuch as mosquito production is at a very low ebb at this time, very satisfactory results may be obtained.

I might add that mosquito annoyance is now on the decline and annoyance such as has prevailed for the past three weeks will not occur until twenty days after a long wet spell, such as 6 inches of rainfall within a period of one week. Then, of course, a new brood of mosquitoes will invade the city, and another fog treatment is indicated.

Respectfully,

es

John Lyell Clarke, Jr.

The Mayor stated that no provision was made in the appropriation ordinance regarding this item, therefore the City Council could not provide any money for the spraying. He thought that perhaps if enough people were interested, funds could be provided from outside sources.

LETTER FROM DES PLAINES SAFETY COUNCIL. The Clerk read the following letter:

LETTER FROM SAFETY COUNCIL, CONT'D.

June 12, 1948

Des Plaines City Council
Mr. Otto Henrich, City Clerk
Des Plaines, Illinois

Gentlemen:

At our June 1st meeting the following subjects were brought up and discussed and it was recommended that they be referred to the City Council for action.

- 1 - There have been a number of scooter bikes appearing on the streets, and were informed that they are not conforming to the laws, as to the operation of the vehicle, also whether they have the necessary license plates and driver's license.

Will you please refer this matter to the proper department for enforcement.

- 2 - Have Police Department check speeding at Cumberland Station.
- 3 - Would like for you to arrange and enforce a speed limit of 18 miles per hour on the following streets - Center, White, Thacker, Algonquin, Lee and River Road at North School.
- 4 - Arrange for the signs marked "SLOW SCHOOL" to be repainted on the streets at the various schools, prior to their opening in the fall.

A reply will be appreciated.

Very truly yours,
Erna Pfeifer
Secretary

DIVISION OF HIGHWAY LETTER ON GUARD RAIL AT WELLER CREEK. The clerk read the following letter:

June 22, 1948

City of Des Plaines
City Hall
Des Plaines, Illinois

Gentlemen:

In your letter of June 12, 1948 you enclosed a letter from the Des Plaines Safety Council relative to providing a handrail on the culvert on the east side of Wolf Road at Weller Creek.

Please be advised that we have deemed it advisable not to install a pipe handrail as suggested, but a wooden type guard fence, three feet in from the head-wall, which will provide all the protection necessary.

Very truly yours,

C. H. Apple
District Engineer

Alderman McKay did not believe this to be proper protection so Mayor Pro Tem Kehe referred the letter to the Streets Committee and City Engineer.
