Camper Code of Conduct:

Campers are expected to behave appropriately while participating in any Park District program and while in any Park District facility. Please review the camp policies with your child. Rules/Guidelines have been developed to make Des Plaines Park District programs safe and enjoyable for all. A camper who displays negative behavior can affect the rest of the camp's experience. Campers who are disruptive, unruly or display inappropriate behavior OR require an excessive amount of disciplinary attention will meet with the Camp

Director and parents to evaluate their behavior. The Des Plaines Park District reserves the right to dismiss a participant or facility user whose behavior endangers their own safety or the safety of others. Parents will be notified of any misconduct or discipline problems. **It will be the parent's responsibility to arrange transportation for the child if/she is being sent home due to disciplinary actions.**

Please review the following camp policies/rules with your child:

- Talk in a pleasant manner: no foul language or put-downs. Topics of conversation are to be appropriate for a public setting.
- RESPECT other campers, staff members, their belongings, our facilities, and the natural environment.
- Refrain from disparaging remarks, including comments against an individual's race, ethnic background, religion, physical appearance, or disabling condition.
- Treat all equipment and supplies with proper care and respect.
- Remain with your group and a Park District staff member at all times, unless directed to do otherwise.
- Protect your feet by always wearing shoes; gym shoes are required at camp.
- Do not display any aggressive behavior, including hitting, punching, slapping, kicking, and biting.
- Refrain from threatening or causing bodily harm to yourself, other participants, or Park District staff.
- Hazing and bullying is strictly prohibited.
- BE SAFE. Follow camp rules at all times.

Cell Phones:

Campers may have cell phones with them at camp, but we ask that they stay in backpacks or in a secure place. We are not responsible for lost or stolen cell phones. Phone calls and text messages cannot be made without staff permission. If a phone is used without permission, it will be taken and held by staff until the end of the camp day.

Food Allergies:

Please be aware that peanut allergies are becoming more prevalent each year at camp. These allergies are sometimes airborne and even sitting next to a camper with a peanut butter and jelly sandwich can give them an allergic reaction. Due to the danger of this allergy, we ask that you please avoid or limit the peanut products you include in your campers lunches. We understand that this may be difficult, so if you include peanut products, we ask that you please inform your camper, label the bag "contains peanuts" and let us know at sign-in. It is our goal to keep everyone safe at camp. We appreciate your help!

Swimming:

- **Summer Kick Off (7-12 year olds) will walk to Iroquois Pool on Tuesdays and Thursdays for free / open swim. Mid Summer's End (7-12 year olds), and Summer's End(7-12 year olds) camps are bussed to Chippewa Pool on Tuesdays and Thursdays or free/open swim.**
- **Summer Kick Off, Mid Summer's End and Summer's End (4-6 years old) will participate in water day at the Leisure Center on Tuesdays and Thursdays.**

Campers must be able to change themselves into and out of their swimsuits without assistance and back into dry clothes. If your child does not plan on participating in swimming, they can still attend camp; keep in mind the entire camp, and staff, will be going to the pool and supervision will not be provided back at the camp site. Campers are still required to wear swim wear on the pool deck, but they are not required to enter the water.

Swim Levels / Swim Tests:

To keep pool visits as safe as possible we conduct a basic swim test before allowing a camper to swim in water above their shoulder. The swim test consists of swimming the width of the pool in the 6-foot deep end and completing a 30 second treading test, *under the supervision of our camp staff and the pool lifeguards*. If the camper can swim across the width of the pool without stopping or touching the wall or lane line, and if they can complete the full length of time for the tread test, they are allowed to swim in the deep water of the pool. If a camper does not pass the swim test, chooses not to take the swim test, or are marked Non-Swimmer/ Beginner they will be issued a pink wristband which restricts them to water that is below their shoulder height in the pool. Please be sure to indicate your child's swimming ability on *the Participant Medical Form*.

Parent Correspondence:

Important camp information and reminders will be distributed daily or weekly. At the beginning of each week, parents will receive a camp calendar that has all of the activities scheduled for that week's session. All camp calendars will be posted on the website at the start of the camp season. Each camp will also have a Parent Communication Log located next to the sign in/ out sheets. Please make sure to write down any important information on the communication log for your Camp Directors to be in the know.

Lake Park Program Areas: (7-12 year olds only)

During select times, campers will have options as to the activities they may participate in. Activities range from quiet games, simple cooking, arts and crafts, sports and games, sand play, fishing, water events, and other special events. All activities are run and supervised by camp staff. All supplies are provided for campers. Please note: water events do not involve the lake.

Fishing: (7-12 year olds only)

During scheduled supervised fishing times, campers may go ankle deep in the water along specified areas of the shoreline. They may bring a pair of old shoes for lake use. Simple, non-casting, bamboo fishing poles, and corn kernel bait are used from the shoreline, and all fish caught are released.

Paddle boating: (7-12 year olds only)

Campers will have the opportunity to go paddle boating on Lake Opeka, weather permitting. Campers wear life vests and staff is out on the lake with them. They are restricted to the harbor area of the lake.
