BOARD DIRECTIVES

Executive Director Miletic reviewed the Board Directives spreadsheet in detail line by line with the Park Board. Miletic explained he is staying removed from lower level items and is very happy with the organizational chart and the team he has in place. Miletic explained we have an A-Team right now in the administrative side and even our maintenance side, which is not requiring hands on attention. Weber is doing great, has some challenges but is on the same page with Cathey and myself and this allows Miletic to work on larger projects. President Haas commented it is good to see Miletic removed from micromanaging and getting away from this. Commissioner Doerr said she is new to this and understands that staff such as Cathey and Weber should be careful with the sensitive staff member. Commissioner Grady said he likes seeing the spreadsheet and all the updates. Commissioner Rosedale asked how things are going with Miletic and sensitive member, and Miletic replied he does not communicate with her one on one as directed and as for personal settings, Miletic will speak with her only if there are others present like Cathey or Weber. President Haas also said to review this with Commissioner Yates. Miletic did review with Commissioner Yates on October 30, 2019.

Executive Director Miletic thanked Park Board for support and reiterated he could not be happier with how things are going now. We continue to make large improvement for the community.

PERSONNEL

Executive Director Miletic spoke about two employees that have gone beyond expectations. The two employees were given additional pay for their outstanding completion of tasks and for market adjustments due to low unemployment. Commissioner Grady did state it is tough hiring people and people can get a 10% increase because of the economy. There was feedback on the level of increase and it was determined to give Nicole McNulty an increase to \$71,000 and Jeanette Berrard and increase to \$68,000. The Park Board all said to thank these two for their hard work from the Park Board of Commissioners.
