The Creative Corners Preschool Program provides a quality early childhood experience in an atmosphere where children can grow socially, emotionally, physically, and intellectually, through proven curricula. Our team uses the Illinois Early Learning & Development Standards to teach academic skills, build a strong foundation, and achieve benchmarks for school readiness.

Spanish Immersion

Ages 3–6

Spanish Immersion brings together the Spanish language along with the Creative Corners rich curriculum and routines, to provide your preschooler with an advanced educational experience. This full-immersion program will engage, entertain, and educate your child entirely in Español! The opportunities to learn a second language and grow as an individual are essential for this impressionable age group's future development. Must be potty trained.
