PROCEDURES & RULES FOR THE USE OF THE DES PLAINES PARK DISTRICT PRAIRIE LAKES THEATER

GENERAL POLICIES & PROCEDURES

PURPOSE

The primary purpose of the Des Plaines Park District Prairie Lakes Theater is to provide a performing arts and events venue to be used for a variety of cultural uses by the community. The Park District wishes to stimulate individual creativity, community interest and appreciation of the arts through use of this facility.

PRIORITIES FOR SCHEDULING THE FACILITY

The following priorities have been established for the scheduling of the theater:

1. Park District sponsored programs/productions
2. Long Term productions.
 - a. No more than two permanent theater groups will be allowed to have up to three productions per year.
 - b. Any other group having annual one week productions.
3. Other governmental/corporate/community service agencies within Des Plaines boundaries.
4. Organizations and groups whose members are predominantly Des Plaines residents.
5. Organizations and groups whose members are predominately non-residents.

The Park District may refuse bookings at any time and for any reason that, in the opinion of the Executive Director, may be contrary to the best interest of the Park District. By renting this facility to a particular group, the Park District is not necessarily endorsing the opinions and philosophy of that particular group.

Multi-day rentals are on a 'limited use' basis. The Park District reserves the right to schedule front of stage and general seating rentals in tandem with multi-day rentals when rehearsals or performances are not scheduled. Groups that prefer to waive this option for 'exclusive use' of the theater during all or part of their rental period will pay an additional daily fee, as detailed on the attached fee schedule. The Park District reserves the right to override the 'exclusive use' rental at any time and for any reason. Should this happen a rental will be credited on the household account the cost of 'exclusive use' daily fee for the day(s) the space was utilized by another rental.

HOURS OF USE-GENERAL RENTALS

All rentals are limited to general Community Center hours of operation. Any other exceptions must be requested in writing with approval granted by the Park District. Any group which uses the facility past general hours will be assessed a fee equal to at least two times the direct custodial costs. Repeated curfew violations will jeopardize a group's right to use the facility.

APPLICATION FOR USE

The Prairie Lakes Theater season runs from September 1 through August 30. Park District Programs, returning theater groups and regular community groups must submit season date requests by February 1 prior to the season.

Written application for use, with complete information, must be made on the form provided by the Park District and submitted to the Park District. Use of the facility includes only those areas and equipment specifically stated on the application for use. Any group which uses additional areas and/or equipment will be assessed accordingly.

The Park District reserves the right to deny an application based on Theater availability, program content, and or the ability to provide adequate insurance. The Des Plaines Park District works with a variety of individuals and agencies to ensure that recreational programs and services are available and accessible to all persons, regardless of age, gender, religion, race, sexual orientation, socio-economic status and level of physical or mental ability.

Any performance piece must be submitted (with a brief summary) to the Des Plaines Park District and approved prior to obtaining a license to perform. Rental group guarantees that it has cleared at the source all necessary performing rights, licenses, and permissions necessary to present the performance; the performance does not contain any matter that constitutes an invasion of privacy, and is not libelous, obscene or otherwise contrary to law.

FEE INFORMATION

Basic rental fees are assessed according to a schedule, which lists varied rates based on the purpose of the renting organization/individual, length of rental and the day and time of use. Rental fees can be found at the end of this document.

The basic rental fee includes the use of the lobby, auditorium, stage, curtains, and general house and stage lighting. Certain other types of equipment and areas will be provided if available and assessed according to the rate schedule. Rental rates for the facility are offered on an "as is, where is" basis. All changes, modification and movement of materials will be done at the renter's expense.

Use of storage areas for property, equipment and costumes; scene shop and set storage; projection/control room; dressing rooms; and box office are limited to Park District sponsored activities unless authorized separately in writing by the Park District.

The Park District reserves the right to charge for overtime and/or use of areas or equipment not represented in the application for use. Adjustments to the contracted fee will be made within ten (10) days of the rental and billed accordingly.

RENTAL FEE REVIEW

All rates and fees listed herein will be reviewed on a periodic basis and charged accordingly to keep pace with operating expenses. For current rental fees, see Attachment A.
