The Des Plaines Park District has a variety of Sponsorship and Partnership Packages that offer local area businesses and organizations the opportunity to reach residents while supporting the Des Plaines community. Packages include print /digital advertising, onsite engagement and brand marketing across high traffic facilities and parks. The Partnership Package allows businesses and organizations a long term sponsorship commitment designed to enhance and strengthen community connections at a reduced overall cost.

In-Kind Donations

Individuals and companies may also support the Des Plaines Park District programs and special events with in-kind contributions. These products or funds will go directly to the program of your choice to enhance the overall experience. Product based in-kind donations will require a meeting with with the Supervisor of the Department to ensure the alignment with program needs.
