Artistry in Motion Dance Company

To provide our dancers multiple opportunities to perform and share their love of dance with the community. Our goal is to nurture a student's ambition to grow into a versatile dancer and a well-rounded performer.

Artistry in Motion Dance Company (AiM) is an award-winning dance company, currently celebrating its 19th season. It is designed for the dedicated dancer, who also loves to perform. This diverse and multi-talented company consists of 59 dancers, ranging in age from 6-18. Artistry in Motion self-produces a 2 show season at Prairie Lakes Theater: The Winter Spectacular and the Spring Showcase. Dancers also perform and have become a highlight at various community events throughout the year. AiM Company Members compete and attend dance conventions and workshops to further their dance training. Artistry in Motion Dance Company promotes a deep appreciation of dance as it provides an environment for learning. It offers a venue for students to understand and develop performance techniques, while experiencing various dance styles.

Rhythm in Motion Tap Company is in its 14th year. It is designed for dancers with serious tap skills and a love of rhythm, who want to take their training to the next level. This company works in conjunction with Artistry in Motion at all community events and performances.

Groove in Motion Hip-Hop Company is in its 6th year. It is designed for the dancer with a love of hip-hop to train in a more structured environment. This company works in conjunction with Artistry in Motion at all community events and performances.
