The Park District continually strives to reduce such risks and insists that all participants follow safety rules and regulations that are designed to protect the participants' safety. However, participants and parents/guardians of minors engaged in aquatic activities must recognize that there is an inherent risk of injury.

You are solely responsible for determining if you or your minor child/ward are physically fit and/or adequately skilled for the activities associated with this Pool Pass. It is always advisable, especially if the participant is pregnant, disabled in any way or recently suffered an illness, injury or impairment, to consult a physician before undertaking any physical/aquatic activity.

Warning of Risk

Swimming and other aquatic activities challenge and engage the physical, mental and emotional resources of each participant. However, despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury, including but not limited to drowning, head/brain injury, and spinal cord injury. Understandably, not all hazards can be foreseen. The very nature of swimming and aquatic activities is hazardous and risky, including but not limited to fatigue, overexertion, poor swimming skills, failing to avoid dangerous areas, failing to follow rules and regulations, failure of lifeguards to locate victims and/or delay in emergency response times, horseplay, diving or cannonballing into shallow water and striking the bottom or striking other swimmers, striking one's head on the bottom, slips and falls on the deck or within the locker facility, chemical exposure and all other circumstances inherent to aquatic activities. In this regard, it must be recognized that it is impossible for the Park District to guarantee absolute safety.
